Musharraf ensures nuclear safety

Updated on 2001-12-05 11:54:02

SIALKOT, December 05 (PNS): President General Pervez Musharraf has said by assisting the international community in fight against terrorism the safety and security of Pakistan's core concerns including the safety of nuclear asserts and Indian held Kashmir issue has been ensured.

Addressing troops and officers at Sialkot and Kharian garrisons the president said the timely decision to join international community against terrorism raised the stature of Pakistan as front-state as well as an important ally in the world community while the security of core issues of Pakistan has been ensured.

The president dwelt at length on the prevailing situation in the region with particular reference to Afghanistan problem and its impact on Pakistan.

Talking about the measure initiated by the government for preparedness of the Pakistan armed forces, he said with the grace of God the territory, integrity and sovereignty of the country are well guarded.

He stressed upon the officers and men to concentrate on their professional training, as it would serve them well in the times of test and trial.

He said all possible efforts are being made to provide Pakistan armed forces with latest weapons and equipments to meet any emerging challenges.

Corpse commanders, Left Gen Ghulam Mustafa, Left. Gen Faiz Gillani, and other senior army officers were also president on the occasion.

End.
